

# Prisha Jha

Ranchi, India | [prishajha.professional@gmail.com](mailto:prishajha.professional@gmail.com) | [linkedin.com/in/prisha-jha](https://linkedin.com/in/prisha-jha)

## Education

**Birla Institute of Technology, Mesra (BIT Mesra)** 2025 – 2030  
*Integrated M.Tech, Quantum Engineering & Device Sciences (QEDS)*

## Experience

**Graphic Design Intern — UH Tech** Jan 2026 – Present

- Working as a paid graphic design intern, creating visual assets for digital products using Figma and Canva.
- Designed logos, background imagery, and other brand/UI components used across client websites.
- Collaborated with the product/development team to translate design requirements into ready-to-implement visual assets.

## Projects

**ReligioGram** [religiogramm.vercel.app](https://religiogramm.vercel.app)  
• Designed UI components, logo, and background visuals (Figma, Canva) for a platform connecting users with pandits and priests to book pujas, rituals, and spiritual consultations.

**Ibhaveda** [ibhaveda.com](https://ibhaveda.com)  
• Created logo, background imagery, and supporting UI design components (Figma, Canva) for a founder-collaboration and venture-building platform.

### Machine Learning – Self Study

- Currently learning Machine Learning fundamentals, building hands-on familiarity with Python libraries such as NumPy.

## Skills
